Welcome

Dear EFSA members and friends,

This year's EFSA European Shore Fishing Championships is bringing us back to Wexford in Ireland. The shoreline there has been a regular feature for championships over the years.

Personally I hold fond memories fishing there. The vast sandy beaches offer a huge variety of species of which even I caught plenty. Many a time casting very far was superseded by catching what is right in front of you.

Over the years the coastline itself provided some excitement: from driving your car onto the beach or fishing from the location where the D-Day landing scenes from 'Saving Private Ryan' were filmed. The place has it all.

For the non-angling travellers there is plenty of nature to explore with the Irish National Heritage park being located nearby too.

I am sure that Warren and his organising team have everything possible prepared to provide a fantastic shore fishing experience!

See many of you there!

A message from our Chairman

Dear EFSA Friends,

EFSA Ireland are privileged to host the 2027 EFSA European Shore Angling Championship for the eighth time.

The competition and associated events headquarters will be The Hotel Curracloe in County Wexford. Angling will take place on the beaches of South and East Wexford (weather permitting). Hopefully there will not be a need to use alternative beaches in Wicklow or East Wexford.

Possible venues will be Clones Strand, Ballinoulart, Morriscastle, Kiltennel Beach, Ballinesker, Tinebarna, Ballinamona, Roney Point, Curracloe. Alternatives may include Wicklow, Arklow, Duncannon, Ballyhealy.

Species to be expected are Whiting, Flounder, Dab, Rockling, Bass, Dogfish. There is of course the possibility of other species like coalfish, gurnard and codling.

The members of EFSA Ireland look forward to welcoming old friends and friends not yet made to Wexford in May 2027.

On behalf of EFSA Ireland may I extend a Céad Míle Fáilte – a hundred thousand welcomes – to all competitors and travelling companions.

May I wish everyone good fishing, good weather and good luck.

Tight lines,

Tommy Squires
Chairman, EFSA Ireland

EFSA Shore Fishing Rules – 2027

4. General Shore Competition Rules.

4.1 Angling will be from a peg allocated by means of a draw which will take place on peg 1 of each zone every day. Competitors must fish from their allotted peg number.

4.2 All matches to be pegged in 5 zones. The fishing zones for each competitor for each day of the overall competition will be drawn on the registration evening.

4.3 All Shore Championships shall be fished over 3 qualifying days.

4.4 A minimum size list shall be given to all competitors before the competitions start.

4.5 The start and finish of the match will be signalled by a whistle, or other audible or visible signal.

4.6 Competitors are allowed to wet and stretch their lines with the use of a plain lead with no trace attached, but not in the final 15 minutes before the start of the match.

4.7 Competitors shall not have in use more than one rod at a time. A reserve rod is allowed but must not have terminal tackle attached. A maximum of three single hooks per trace is allowed, a pennel rig counting as 2 hooks. Spare baited traces are allowed.

4.8 The use of bait additives or extracts will not be permitted, and the practice of 'ground baiting' and/or the use of 'rubby-dubby' is prohibited.

4.9 Beads, sequins, tubing, and muppets. All these are allowed on hook lengths, with no restriction on length, quantity, or combination of these, as long as nothing hangs below, or protrudes over, the eye of the hook.

4.10 Floats and float fishing are not allowed, unless the float is tethered to a ledgered line.

4.11 Assistance may be given to land a fish, but no one other than the competitor shall handle the rod, except for reasons of safety.

4.12 A fish which is hooked behind the gill cover is classed as 'foul hooked'. If a fish is so hooked, or is hooked on more than one line, it is automatically disqualified and should be returned to the sea immediately where practicable. This also applies to fish landed on lost traces. The responsibility for observing, and implementing this rule, comes under the jurisdiction of the neighbouring angler.

4.13 All competitors must bait their own hooks, and must cast and retrieve their own tackle/traces. Assistance is allowed with the extraction of hooks.

4.14 Bait will be provided each day, by the organizers, sufficient for that day, and will be put in similar bags to be picked at random by the participating anglers. Competitors are not allowed to use any bait other than that supplied. Any infringement of this rule will result in automatic disqualification. Upon conclusion of each day's fishing any unused bait shall be disposed of and none shall be carried over to the next day.

4.15 All competitions are to be run on a 'catch and release' basis, and points awarded at 1 point per centimetre length, and 5 points per fish. No fish = no points. (Note dispensation – Page 8)

The angler with the greatest number of points will be awarded first place, and 2nd, 3rd, 4th places etc. given to competitors in descending order of points scored.

In case of a 'tie', places will be awarded on countback of fish.

4.16 The zone winner will receive a point per number of anglers in the zone i.e. 9 anglers = 9 points, 2nd place angler will receive 8 points. In the event one zone has 10 anglers, then the winning angler of EACH zone will receive 10 points and the rest of the positions will be scored pro rate.

4.17 The winner of the Championship will be the angler with the most zone points over the 3 days. In the event of a tie, number of fish will be calculated. If there is still a tie then the total length of fish caught will be calculated. This rule only applies to the overall results and not the daily results.

4.18 When an angler catches fish, they are permitted to cast out another trace before taking the fish to the steward to be recorded. However, they must not retrieve that trace until their previous catch has been dealt with. All competitors must have their fish recorded by an angler who is not a member of their own team or Section.

4.19 It is a condition of entry that all anglers must be prepared to act as stewards. All competitors must have their scorecard signed by their neighbouring angler and must sign the zone master sheet before leaving the zone. Failure to comply will result in disqualification for that day.

4.20 Fish may be kept in water, but any physical attempt to interfere with the size of the fish (e.g. extend their length) shall lead to the disqualification of the competitor. The match organisers' decision, with regard to the size of the fish at the time of recording, or in the event of any dispute not covered by these rules, shall be final.

All undersized fish must be returned alive immediately after capture where practicable.

4.21 No allowance can be given for shrinkage occurring from the time of capture to the time of recording.

4.22 No competitor shall fish along the waterline closer than five metres to another competitor, other than by mutual consent.

4.23 Any fish to be kept for culinary purposes must be over the minimum size and must have the tail removed once being humanely dispatched in full view of the angler signing for it.

4.24 Competitors are only permitted to wade into the sea up to their knees in order to cast, but must then return to the beach.

4.25 No competitor shall fish in the match area in a period commencing seven days before the start of each day's angling

4.26 The match organisers have the right to refuse any entry.

4.27 Double drawing of pegs is not permitted.

4.28 Any complaints must be submitted in writing to the match organisers not later than 1hour after the end of the match. The decision of the match committee shall be final.

4.29 All competitors must return their peg to the zone official and return their angling scorecard when signing out.

4.30 Any competitor who acts in a manner considered by the organisers to be against the spirit of the competition or the interests of the other anglers and fair play may be disqualified at the sole discretion of the organisers.

4.31 Weavers, Mackerel, Sandeels and/or Launce cannot be recorded. (Note dispensation – Page 8)

4.32 A shock leader of minimum 24kgs.breaking strain and not less than 7 metres long shall be used by all competitors.

4.33 All competitors shall collect and remove their rubbish from the beach at the end of each day's fishing, and dispose of responsibly.

4.34 The Organising Committee and EFSA shall not be held responsible for any loss, damage, accident or injury occurring during the event.

4.35 The Organising Section shall appoint a protest committee consisting of four members of separate competing Sections wherever possible and an HQ officer if present.

4.36 All open 2, 3, and 4 man teams to be a blind draw.

4.37 A National / Section Team shall consist of 5 anglers. The best 4 scores will count each day.

4.38 A maximum of 2 teams can represent a Section.

4.39 All fishing will be to EFSA fishing rules. Any dispensations from the EFSA rules for Championships, whether from the check list or the main shore rule list, must be applied for in a Standing Committee meeting and communicated to all anglers competing prior to commencement of the event.

EFSA Ireland Shore Rules

- The competition will be fished to the rules of EFSA Ireland and EFSA General Shore Angling Rules in force at the time of the event.
- Anglers must fish from their allocated peg as drawn on the day. Fishing time up must be strictly adhered to.
- Only one rod may be used for fishing. Additional rods may be assembled to the trace clip but must not have a trace attached.
- A maximum of 3 hooks may be used. A treble counts as 3 hooks.
- Spare traces are permitted, any number.
- Each competitor will act as a steward and as such will make themselves fully aware of the rules of the competition. No excuse whatsoever will be acceptable for non-compliance.
- The event will be fished on a catch and return basis.
- All fish must be measured on an approved measure.
- All fish will be measured nose to end of tail.
- Fish points will be awarded as follows:
- Dogfish (LSD) 45 points.
- Eels 45 points up to 100cm, thereafter 1 point per cm.
  i.e. 15cm = 45 points, 99cm = 45 points, 101cm = 101 points.

All fish will have a minimum size of 15cm length.
Fish will be measured down i.e. 15.5cm = 15 points.
Ineligible fish: Mackerel, Herring, Weaver. Sandeel, Game Fish.

- An additional 5 undersize (<15cm) eligible fish are also permitted to include Mackerel regardless of size. A maximum of 5 fish in this category is permitted and will be awarded 5 points per fish plus 5 fish points. DO NOT MEASURE MACKEREL THEY ONLY COUNT IN THE UNDERSIZE CATEGORY.
- All fish must be recorded on the score card provided. Running total must be calculated as each fish is recorded.
- All fish will be awarded 5 'fish points' which must only be added at the end of the session.
- Bait will be provided for each session. Distribution of the bait will take place prior to each session at the event H.Q., times will be advised at the opening ceremony. All left over bait must be returned with the score card. Bait is not to be discarded or retained. An angler found to have retained bait from a previous session will be disqualified.
- Score cards must be signed by the nearest senior angler prior to retrieving the next cast. Cards must not be signed by a junior or fellow section or international team member. If an angler is drawn between 2 fellow section members a dispensation can be sought.
- Score cards must be fully totaled before leaving the beach and must have a line drawn in the space immediately below the last entry. Any fish that does not have signature against it will be removed from the total. Check your last fish!!
- Collection points for cards will be in place at each venue. Cards will not be accepted if they are:
  - Not totaled.
  - Not signed off by the nearest senior angler.
  - Not handed in within 45 minutes of the session end time.
  - Not signed for on the zone sign off sheet.
- Fish must not be kept after having card signed. All fish including undersized must be returned to the sea immediately and in full view of the angler who signed the card.

- Fish being kept for culinary purposes must have their tail removed, having been humanely dispatched, in view of the angler signing the card. All such fish must be of the minimum size limit for this purpose.
- Prizes will be awarded as follows:
  - Number of zones: 5.
  - Most points per day (super pool) ..... 1st, 2nd, 3rd.
  - Longest Round Fish (Pool), each day ..... 1st, 2nd. (3rd entry dependent)
  - Longest Flat Fish (Pool), each day..... 1st, 2nd. (3rd entry dependent)
- Lesser Spotted Dogfish and Eels do not count for longest fish.
- In the event of equal longest fish, the prize will be divided.
- Individual and team results will be decided by zone position i.e. each zone winner will be awarded 1 point per the highest drawn zone, descending 1 point per position thereafter. A blank receives no points.
- 2, 3 and 4 man teams (Medal) 1st, 2nd, 3rd.
- Lady (Medal) 1st, 2nd, 3rd.

  - Points total.
  - Number of fish.
  - Longest fish(es).
- The 'Rules of Fair Play' will also apply. Any angler deemed to have brought the sport of competition angling into disrepute will be penalized.
- Disputes will be dealt with initially by the organizing committee. In the event that the dispute cannot be resolved then the nominated appeals' committee will adjudicate.
- Any attempt to increase the length of a fish will result in disqualification.
- The committee at it's discretion may invoke a bag search.
- Additives (oils etc.) are not permitted.
- Competitors must not fish the venues during the 7 day period prior to the event.
- The draw for ZONEs will be done on the basis of International Teams by ballot followed by individuals also by ballot.
- Results will be published each evening at the H.Q. Objections must be notified in writing prior to bait distribution the following day or within 1 hour of publication on the final day.
- The organizing committee and EFSA shall not be held responsible for any loss, damage or accident occurring during the event.

All litter must be removed from the beaches including Peg Marker. Do not discard hooks.

Tight Lines and Good Fishing.
